Notes:

1. A member entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him. A proxy need not be a member of the Company. A form of proxy for use by members is enclosed. Forms of proxy must be lodged with the Registrar not less than 48 hours before the Meeting.
2. Appointment of a proxy will not preclude a member from attending and voting in person at the Meeting.
3. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the Register of Members of the Company as at 6.00 p.m. on 6th February 2007 shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the Register of Members after 6.00 p.m. on 6th February 2007 shall be disregarded in determining the rights of any person to attend or vote at the Meeting.
4. The Register of Directors' Interests in the Company kept under section 325 of the Act and copies of Directors' contracts of service may be inspected at the registered office (and place of Annual General Meeting) of the Company during normal business hours on weekdays (public holidays excepted) from the date of this notice until the conclusion of the Annual General Meeting.
5. Biographical details of the Directors standing for re-election are set out on page 37 of the Annual Report.
6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting to be held on 8th February 2007 and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

7. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. The "Vote Withheld" option on the Form of Proxy is provided to enable a member to abstain on any particular resolution. It should be noted that an abstention is not a vote in law and will not be counted in the calculation of the proportion of votes "for" or "against" a particular resolution.

Explanatory notes to notice of annual general meeting

Resolution 8 – Authority to issue shares

This resolution authorises the Board, for a period of 15 months from 8th February 2007 or to the end of the next Annual General Meeting whichever is the earlier, to allot ordinary shares up to an aggregate nominal value of £11,000,000, consisting of 44,000,000 Ordinary Shares of 25 pence each and which represents approximately 33 per cent. of the total ordinary share capital in issue on 8th December 2006 (the last practicable date prior to the publication of this document). The Company does not currently hold any shares as treasury shares within the meaning of Section 162A of the Act ("Treasury shares"). Save in respect of the issue of new Ordinary Shares pursuant to the share incentive schemes, the Directors currently have no present intention to allot relevant securities but the Directors believe it to be in the interests of the Company for the Board to be granted this authority to enable the Board to take advantage of appropriate opportunities which may arise in the future.

Resolution 9 – Disapplication of pre-emption rights

This resolution, which will be proposed as a special resolution, seeks to disapply the pre-emption right provisions of Section 89 of the Act in respect of the allotment of equity securities (including a sale of treasury shares) pursuant to rights issues and other pre-emptive issues or offers and in respect of other issues of equity securities (including sales of treasury shares) for cash up to an aggregate nominal value of £1,650,000, being approximately 5 per cent. of the issued ordinary share capital on 8th December 2006 (the last practicable date prior to the publication of this document). If approved by shareholders, this power will expire 15 months after the passing of this resolution or, if earlier, at the end of the next Annual General Meeting. The Directors have no present intention of exercising their authority pursuant to this disapplication, but, as in previous years, they consider it desirable that they have the flexibility to act in the best interests of the Company when opportunities arise.

Resolution 10 – Purchase of own shares

This resolution, which will be proposed as a special resolution, seeks authority for the Directors to purchase the Company's own shares. The Directors are of the opinion that it would be advantageous for the Company to be in a position to purchase its own shares through the London Stock Exchange, should market conditions and price justify such action. The proposed authority would enable the Company to purchase up to a maximum of 13,200,000 Ordinary Shares, being 10 per cent. of the issued ordinary share capital on 8th December 2006 (the latest practicable date prior to the publication of this document), with a stated upper limit on the price payable which reflects the requirements of the Listing Rules of the Financial Services Authority. Purchases would only be made after the most careful consideration, where the Directors believed that an increase in earnings or net assets per share would result and where purchases were, in the opinion of the Directors, in the best interests of the Company and its shareholders. The Directors consider that it is prudent to obtain the proposed authority, although the Board does not yet have the intention to implement this strategy.

The total number of options to subscribe for equity shares that are outstanding on 8th December 2006 (the latest practicable date prior to the publication of this document) is 3,788,285. This represents 2.85 per cent. of the issued share capital at that date. If the Company were to purchase the maximum number of ordinary shares permitted pursuant to the authority under this resolution, then these options would represent 3.17 per cent. of the reduced issued share capital (excluding any treasury shares).

The Act permits companies to hold shares acquired by way of market purchases (as described above) in treasury, rather than having to cancel them. The Company would consider holding any of its own shares that it purchased pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to re-issue treasury shares quickly and cost effectively, and would provide the Company with additional flexibility in the management of its capital base.

No dividends would be paid on shares whilst held in treasury and no voting rights would attach to treasury shares.

Resolution 11 – Political donations

This resolution authorises the Board to make donations under Section 347C of the Act. Any donations to political organisations or political expenditure by a company in excess of an aggregate of £5,000 must be authorised by the Company's shareholders. There is no present intention to make cash donations to any political party. The Company as part of its normal business activity may wish to have contact with political parties to ensure that they are aware of the key business issues affecting its business. Under the Act, the definition of political expenditure is extremely wide and may be construed as covering such areas of the Company's normal business activities. It is therefore considered appropriate that a resolution be put to shareholders in general terms. The Company will disclose in its annual report, in compliance with the Act, any expenditure or donations in excess of £200 which is within the ambits of the definitions of the Act.
